

## Organization Chart Express: What's New?

---

***As of July 27<sup>th</sup>, 2015 the following functionality is available:***

### System Updates

- ***Ability to create Organization Charts:***

Organization Chart Express (OCX) is an electronic system that standardizes the development of organizational charts and allows for electronic maintenance of all organization charts across service.

OCX interfaces with FPPS, providing managers with accurate position information, i.e. series, grade, organization code, full performance level, duty location, etc. of an employee.

- ***Ability to search for Published Organization Charts:***

OCX provides a repository of signed and approved Org Charts, which can be easily accessed through the Search screen.

- ***Ability to view Executive Level Organization Charts:***

OCX provides access to several executive level Org Charts in PDF format.

- ***Ability to generate Custom Reports:***

OXC provides users with the capability to generate custom MS Excel reports providing managers with personnel/position information for their Organization Codes.
